TERMS AND CONDITIONS

This price list contains confidential and proprietary information of Respironics, Inc. Any unauthorized use, copying, storage, reproduction or translation of this document in any form is strictly prohibited.
Respironics, Inc. may change the prices on this list at any time without notice.
Not all products available in all countries, please check with your local Respironics representative for availability.
Price shown are in US dollars.

PAYMENT AND CREDIT POLICY

Payment is to be made in U.S. Dollars. Payment terms shall be determined by Respironics on an individual basis. A 1.5% monthly finance charge will be assessed on all invoices for which payment is overdue.

MINIMUM ORDER

The minimum order amount is net US$500.00. A US$30.00 special handling charge will be added to orders not meeting this minimum.

SHIPPING TERMS

Pricing in this price list is based upon shipment of products Ex-works any Respironics manufacturing or distribution facility, and the point of origin of any shipments will be determined solely by Respironics. Shipments will be made "FREIGHT CHARGES COLLECT" unless other acceptable arrangements are made prior to shipment. Respironics will choose the method of shipment and carrier to be used.

RETURNED GOODS

Customer may return any product shipped due to a shipment error. Any other return will be in the sole discretion of Respironics and must be approved in writing. In order to return products, the following guidelines must be followed:

- Obtain a Return Authorization (RA) number from Respironics Customer Service Department before returning any product. Respironics order number must be provided when requesting a RA number. Credit memos cannot be processed if this information is not provided.
- The RA number must be marked clearly on the outside of the boxes. Unauthorized returns may be refused and returned at the customer's expense. All returns should be shipped freight prepaid.
- The issuance of credit for returned product is subject to inspection and approval of the product by Respironics personnel.
- In order to cover costs associated with processing returns, a 20% re-stocking fee will be imposed except for defective products. This fee will be waived for returns resulting from a Respironics shipping or order entry error if the error is identified within 10 days of receipt.
- All returns must be made to Respironics, Murrysville, Pennsylvania, U.S.A. Respironics will replace defective goods or issue a credit for other returned goods

NON RETURNABLE MERCHANDISE

Respironics cannot accept returns of the following products:

- Custom-ordered product (not listed on our published price list).
- Products invoiced more than six months from the date of request for return.
- Discontinued product (not listed on currently published price list or formally discontinued).
- Product not in its original, unopened package.

PRICES

Prices in the most recently published price list will be used for billing purposes. Price and terms are subject to change without notice. As shown in the price list, prices depend upon point of origin. Respironics will charge the "Ex-Works Murrysville" price for all goods shipped from Murrysville, Pennsylvania, U.S.A. Respironics will determine in its sole discretion the point of origin of all shipments and will invoice at the appropriate price. Prices do not include any taxes. Customer is required to pay for certain taxes for products.

FORCE MAJEURE

Respironics shall not be liable for delay in performance due to any cause beyond Respironics' reasonable control.

WARRANTIES

The warranty for each Respironics product is that warranty in effect at the actual time of shipment from Respironics.
ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, WHETHER ARISING UNDER ANY STATUTE, LAW, COMMERCIAL USAGE OR OTHERWISE, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY EXCLUDED.

INTELLECTUAL PROPERTY RIGHTS

Respironics is the sole owner of all trade names, trademarks, insignias and/or slogans owned or adopted by Respironics from time to time. In no event shall Respironics be liable for lost profits, loss of good will or any indirect, consequential or special damages of any kind, even if Respironics has been advised of the possibility of the same.

MISCELLANEOUS

Respironics may, at its option, modify or discontinue any product or accessory, including, but not limited to, discontinuance for obsolescence, substitution or sale of a product line. Customer's purchase of products from Respironics shall be governed solely by these Terms and Conditions. Any terms or conditions in Customer's purchase order or other documents which differ from these Terms and Conditions are not binding on Respironics unless accepted in writing by Respironics. Customer is hereby notified in advance of Respironics' objection to any proposed additional or different terms or conditions.

Respironics reserves the right to modify, from time to time, these Terms and Conditions; provided, however, that such modified Terms and Conditions shall only apply to purchase orders received from Customer after the effective date of such modified Terms and Conditions.

THERAPY SYSTEMS

THERAPY SYSTEMS

July 2008

REMstar M Series

Respironics' REMstar M Series is a full-featured unit that gives patients more of what they want without taking away anything you need. It is smaller, sleeker and easier to use to better fit with a patient's sleep environment and lifestyle. And the new REMstar M Series offers new phone-in compliance reporting capabilities with Encore Pro for easier patient management. **Sleek, simple CPAP therapy that your patients can trust.**

Part number	Description
IN101	REMstar

Part number IN101 includes: 1 REMstar unit, 1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter and Info Kit
Part number IN101 has a 2 year warranty

Part number	Description
IN101H	REMstar Core Package

Part number IN101H includes: 1 REMstar unit and 1 M Series Heated Humidifier, 1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter and Info Kit
Part number IN101H has a 2 year warranty

Note: *Power Cord European C7 style P/N 1030914 to be ordered separately*
Note: *Home Care Provider Manual needs to be ordered separately (free of charge)*

Part number	Description
IN201	REMstar Plus (C-Flex)

Part number IN201 includes: 1 REMstar Plus unit, 1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter, patient instruction manual and Info Kit
Part number IN201 has a 2 year warranty

Part number	Description
IN201S	REMstar Plus (C-Flex) with SmartCard Module

Part number IN201S includes: 1 REMstar Plus unit, 1 SmartCard Module and 1 SmartCard, 1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter and Info Kit
Part number IN201S has a 2 year warranty

Part number	Description
IN201H	REMstar Plus (C-Flex) Core Package

Part number IN201H includes: 1 REMstar Plus unit and 1 M Series Heated Humidifier, 1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter, patient instruction manual and Info Kit
Part number IN201H has a 2 year warranty

Part number	Description
IN201HS	REMstar Plus (C-Flex) with SmartCard Module Core Package

Part number IN201HS includes: 1 REMstar Plus unit , 1 M Series Heated Humidifier,1 SmartCard Module and 1 SmartCard, 1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter and Info Kit
Part number IN201HS has a 2 year warranty

Note: *Power Cord European C7 style P/N 1030914 needs to be ordered separately*
Note: *Home Care Provider Manual needs to be ordered separately (free of charge)*

REMstar Plus M Series (C-Flex)

Offers optional integrated humidification, optional Encore Pro SmartCard capability for basic compliance reporting, lighted controls, an easy-to-read display and the revolutionary comfort of C-Flex. This device **redefines the entry-level CPAP** market.

REMstar Pro M Series (C-Flex)

The REMstar Pro M Series with C-Flex combines the amazing comfort of C-Flex, optional integrated humidification and our Encore Pro SmartCard capability to give you the power of enhanced compliance reporting of apnea/hypopnea index, elevated leak levels and snoring. It's the **most versatile CPAP** we've ever offered.

Part number	Description
IN401S	REMstar Pro (C-Flex)

Part number IN401S includes: 1 REMstar Pro unit, 1 SmartCard Module and 1 SmartCard, 1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter and Info Kit
Part number IN401S has a 2 year warranty

Part number	Description
IN401HS	REMstar Pro Core Package (C-Flex)

Part number IN401HS includes: 1 REMstar Pro unit and 1 M Series Heated Humidifier, 1 SmartCard Module and 1 SmartCard, 1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter and Info Kit
Part number IN401HS has a 2 year warranty

Note: *Power Cord European C7 style P/N 1030914 needs to be ordered separately*
Note: *Home Care Provider Manual needs to be ordere separately (free of charge)*

Part number	Description
IN501S	REMstar Auto (C-Flex)

Part number IN501S includes: 1 REMstar Auto unit, 1 SmartCard Module and 1 SmartCard,1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters,
1 ultra-fine filter and Info Kit
Part number IN501S has a 2 year warranty

Part number	Description
IN501HS	REMstar Auto Core Package (C-Flex)

Part number IN501HS includes: 1 REMstar Auto unit and
1 M Series Heated Humidifier, 1 SmartCard Module and 1 SmartCard, 1.8m gray tubing, 1 carrying case (PN : 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter and Info Kit;
Part number IN501HS has a 2 year warranty

Note: *Power Cord European C7 style P/N 1030914 needs to be ordered separately*
Note: *Home Care Provider Manual needs to be ordered separately (free of charge)*

REMstar Auto M Series (C-Flex)

Is an ideal flow-based Smart CPAP for use in the lab or home. Its Proactive Algorithm looks for and adjusts to the patient's need based on optimal and critical pressure levels. When combined with Encore Pro software, you can track events like snoring, elevated leak levels and apnea / hypopnea. Add that to a host of other great patient features, and it's easy to see why REMstar Auto with C-Flex is the **smartest Smart CPAP** we've ever made.

REMstar Auto M Series with A-Flex

The **REMstar Auto M Series with A-Flex** represents an amazing new chapter in pressure therapy. Not only does it make each breath more comfortable at inhalation and exhalation, the REMstar Auto also adjusts overall therapy to accommodate the patient's therapy needs due to changes in lifestyle or progression of disease state.

A-Flex technology utilizes our patented Digital Auto-Trak Sensitivity to distinguish between exhalation and inhalation. During exhalation, A-Flex provides variable expiratory pressure relief that is the same as our clinically proven C-Flex technology. During inhalation, A-Flex also provides inspiratory comfort that varies with the patient's pressure level. The result is a pressure pattern that matches the patient's entire breathing cycle. Like C-Flex, there are three patient-selectable A-Flex settings to make therapy more personal. All this boils down to a more enjoyable and effective therapy than the ordinary constant pressure therapy.

Part number	Description
IN511S	REMstar Auto with A-Flex

Part number IN511S includes: 1 REMstar Auto with A-Flex unit, 1 SmartCard Module and 1 SmartCard, 1.8m gray tubing, 1 carrying case (PN: 1022219), 2 pollen filters, 1 ultra-fine filter and Info Kit.
Part number IN511S has a 2 year warranty.

Part number	Description
IN511HS	REMstar Auto Core Package A-Flex

Part number IN511HS includes: 1 REMstar Auto with A-Flex unit, 1 M Series Heated Humidifier, 1 SmartCard Module and 1 SmartCard, 1.8m gray tubing, 1 carrying case (PN: 1022219), 1 outlet swivel, 2 pollen filters, 1 ultra-fine filter and Info Kit.
Part number IN511HS has a 2 year warranty.

Note: *Power Cord European C7 style P/N 1030914 needs to be ordered separately*
Note: *Home Care Provider Manual needs to be ordered separately (free of charge)*

Part number	Description
IN 701 S	BiPAP Auto

Part number IN701S includes: 1 BiPAP Auto unit, 1 SmartCard Module and 1 SmartCard, 1.8m gray tubing, 1 carrying case (PN : 1022219), 2 pollen filters, 1 ultra-fine filter, Info Kit (User Manual) and Quick Set up Guide (Provider) and Swivel
Part number IN701S has a 2 year warranty

Part number	Description
IN 701 HS	BiPAP Auto Core Package

Part number IN701HS includes: 1 BiPAP Auto unit, 1 M Series Heated Humidifier, 1 SmartCard Module and 1 SmartCard, 1.8m gray tubing, 1 carrying
Part number IN701HS has a 2 year warranty

Note: *AC Power Cord European C7 style pn 1039014 needs to be ordered separately*
Note: *Home Care Provider Manual needs to be ordered separately (free of charge)*

BiPAP Auto M Series

Respironics' BiPAP Auto with Bi-Flex is the first auto-adjusting bi-level positive airway pressure system for adults with obstructive sleep apnea (OSA). Designed with the most challenging patients in mind, BiPAP Auto is the only sleep system that offers patented Bi-Flex and Digital Auto-Trak technologies, along with auto titration, Respironics Encore Pro SmartCard compatibility and advanced data reporting. BiPAP Auto is quite possibly the best way to improve sleep therapy Acceptance, Comfort and Results for your most challenging patients.

To make humidification a more comfortable choice, we've made the REMstar M Series humidifiers even easier to use. They feature a new easy-turn dial to get the right setting, and it doesn't need to be reset during the night if therapy is temporarily suspended. Plus, the redesigned "hidden" water chamber is easier to use, and easier to fill, and it delivers continuous humidification throughout the night.

Alice 5 PSG System

Part number	Description
1017229	Alice 5, International * Please specify the power cord required for your region (see below) Main unit has a 2 years warranty

Part number 1017229 includes:
1017229: Alice 5 Base Station
1017231: Alice 5 Headbox, International
1020266: Wall Mounting Kit for Headbox
1020584: Carrying Pouch for Headbox
1016343: Shoulder Strap for Headbox
1009966: Patient Cable, connects Base Station to Headbox
1019565: Intercom Microphone Kit for Base Station
1021566: Antenna Kit for Base Station
1016310: Alice 5 Mouse Pad
1019280: Power Supply, 60 W, 6 VDC, 10 AMP for Base Station
1016319: Hardware User Guide
1016330: Set-up and User Guide - English
(other languages also available, refer to section "Manuals")

Standard Accessory Kit included (see list page 21)
and ONE Masimo Oxymeter Sensor to choose from the following list:
H5875: Disposable Adult Sensor (Pkg. of 20)
H5874: Disposable Pediatric Sensor (Pkg. of 20)
1019530: Multi-dite Reusable sensor (Pkg. of 6 Std. wraps)
H5873: Disposable Neonatal Sensor (Pkg. of 20)
H5872: Disposable Premie Sensor (Pkg. of 20)
H5871: Reusable Oximeter Sensor, Finger clip

H3151-100	Connecting cable 10 base-T Null 100 ft. (Crossover)
H3150-50	Connecting cable 10 base-T Null 50 ft.
H3150-100	Connecting cable 10 base-T Null 100 ft.

Video/Audio components

Part number	Description
1016340	Speakers (Altec lansing, 2 speakers + Power cord)
1049497	Audio Buddy Intercom Kit for the Alice 5
1027101	Alice 5 Microphone Kit (new w/AA batt's.)
1027152	Alice 5 Microphone Kit AC adapter Kit (US)
1027153	Alice 5 Microphone Kit AC adapter Kit (EU)
1027154	Alice 5 Microphone Kit AC adapter Kit (UK)
1020518	Intercom Mic 20ft. Ext. Cable (OLD version Alice 5 base station)
1026576	VideoEase CCTV Balun
1032204	Modular CCTV Power - Thru balun
1021731	Analog Video Cable (50 feet)
1021730	Analog Video Cable (100 feet)

Miscellaneous Accessories

Part number	Description
1016343	Shoulder Strap for headbox
1020266	Wall Mounting kit
1020584	Carrying pouch for headbox
1016309	Sensor Bag
1024582	Carrying Case, Pelican (includes Sensor Bag)
1016310	Alice 5 Mouse Pad

Auxiliary Signal Cables

Part number	Description
1031797	9-Pin RS232 to RS232 Optical isolator (Remove input electrical noise)
1007492	SleepLink card with Serial cable (RI therapy device)
1000814	Encore shielded communications cable, 6 feet
1016351	Auxiliary split adapter (e.g: Aux. inputs 1/2, 3/4 etc)
1016352	Analog Attenuator Cable
1020636	Connecting cable auxiliary input, 50 ft. Base
1020637	Connecting cable auxiliary input, 100 ft. Base
1021728	Analog attenuator cable
1021726	3 Output Analog cable (NovaMetrix device)
1021727	6 Output Analog cable (NovaMetrix device)

Sensor Case
1016309
Sensors not included

Hard Shell Carrying Case
1024582
Includes: Sensor Case

Part number	Description
1011176	StarDust II Recorder Kit

The StarDust II Recorder has a 1 year warranty

The other parts of the kit have no warranty

Part number 1011176 includes:

	StarDust II Recorder
	StarDust II Carrying Case
NA	9 volts Alkaline Battery
1006039	Nasal Pressure Sensor Kit (Includes 5 single use Cannulas)
1007199	Finger Clip Saturation Probe
1008312	Patient Pouch
612271	Respiratory Effort Sensor & Belt (complete)
612214K	Stardust Serial Connector
1011237	Stardust II Recorder Manual
1003510	Stardust Screwdriver

Part number	Description
1012120	StarDust Clinical Package

Part number 1012120 includes: StarDust Host Software and StarDust Clinical Literature Kit

Stardust II

Carrying Case
610200

Respiratory Effort Sensor
Kit with 6 Belts
612271

Serial Connection RS 232
612214K

P1301	Nasal canula, box of 10

RUSleeping RTS

The RUSleeping RTS is an in-home objective screening device that provides real-time results. Through immediately discovering if patients have a low or high apneic score, you can quickly and easily determine their need for a PSG. By having this objective information to discuss with patients, you can relate the link between their apneic results and the possibility of sleep apnea. This may help to overcome their reluctance about the need for a complete PSG and get them one step closer to diagnosis and treatment. The device has been validated against PSG*.

COMPLEX SLEEP DISORDERED BREATHING

COMPLEX SLEEP DISORDERED BREATHING

July 2008

BiPAP autoSV

The BiPAP autoSV therapy device is intended to provide mask applied non-invasive ventilatory support to patients for the primary treatment of Obstructive Sleep Disordered Breathing with secondary Central Sleep Apnea and / or Cheyne-Stokes Respiration (CSR).

Part number	Description
1038916	BiPAP autoSV International

Part number 1038916 includes: BiPAP autoSV International unit, standard 1.8m Smooth Bore tubing, 2 pollen filters, 1 Ultra-fine Filter and 1 Filter Cap, carrying bag
Part number 1038916 has a 2 years warranty

Part number	Description
1040718	BiPAP autoSV International

Part number 1040718 includes: BiPAP autoSV International unit and 1 heated humidifier

Accessories

Part number	Description
312710	T connector for oxygen enrichment
302418	Pressure Valve, Single
302423	Pressure Valve (Pkg. of 5)
1005965	Carrying Case
1005964	Pollen Filter (Pkg. of 2)
1005945	Ultra Fine Filter (Pkg. of 2)
622038	Patient Hose
1020425	Extension power cord for humidifier connection
1039014	Power Cord: Euro End
1039026	Power Cord: UK End
1022090	PC direct
1007353	Remote Software (Palm Operating System Compatible)

BiPAP autoSV Humidifier

Part number	Description
1007861	Heated Humidifier Complete Package (Part number 1007861 has 1 year warranty)
1008619	Heated Humidifier Chamber
1006847	Humidifier Coupling (Pkg. of 2)
1015720	Heated Humidifier Service Manual

Encore Pro & SmartCard

Part number	Description
1014352	SmartCard Reader - USB Connection
1014353	Smartcard Reader - PCMCIA Connection
1003543	SmartCard Reader - Serial Connection
1003304	Encore SmartCard Mailer (Pkg. of 25)
1004270	Heated Humidifier Service Manual
1007492	Sleeplink Modem with cable (for PC connection)
1009583	Encore Pro 1.8i Software (not supported on Windows 98 - only on Windows 2000, XP Professionnal, Windows Server 2003 and Windows Vista)

HOME VENTILATION

NON INVASIVE, INVASIVE SYSTEMS

July 2008

BiPAP Harmony

Very easy and straightforward to set, the BiPAP Harmony combines the simplicity of usage with Respironics' high performance technology, Auto-TRAK algorithm and BiPAP technology. Harmony's other features include an optional integrated humidifier to improve patient's comfort and the compatibility to the Encore Pro system to make patient's management easier.

Part number	Description
1012823	BiPAP Harmony S/T International

Part number 1012823 includes: BiPAP Harmony unit, standard 1.8m Smooth Bore tubing, 2 pollen filters, 1 Ultra-fine Filter and 1 Filter Cap
Part number 1012823 has a 2 year warranty

Part number	Description
1014249	BiPAP Harmony Core Package

Part 1014249 number includes: 1 BiPAP Harmony unit and 1 heated humidifier

Accessories

Part number	Description
312710	T connector for oxygen enrichment
302418	Pressure Valve, Single
302423	Pressure Valve, (Pkg. of 5)
1005965	Harmony Carrying Case
1005964	Pollen Filter (Pkg. of 2)
1005945	Ultra Fine Filter (Pkg. of 2)
622038	Patient Hose
1020425	Extension power cord for humidifier connection
1001158	Power Cord: Euro End
1005895	Power Cord: UK End
1007800	Smooth Inner Lumen Tubing (Autoclavable)
1007353	Remote Software (Palm Operating System Compatible)

1035322

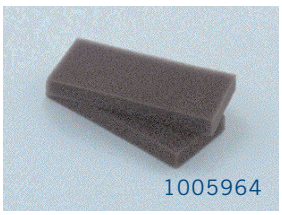
1003543

1003304

BiPAP Synchrony

BiPAP Synchrony combines Respironics' advanced Technology with Auto-TRAK algorithm and AVAPS ventilation, as well as a wide range of modes, alarms and monitoring to ventilate most of your patients suffering from chronic respiratory diseases. BiPAP Synchrony is compatible with Encore Pro Software and the Stardust II polygraph to allow ventilation efficiency assessment at the patient's home, and easy adjustment of settings so that patient comfort and therapy efficacy are enhanced in the long term.

1005945



1005964

1035322

Part number	Description
1029756	BiPAP Synchrony AVAPS International

Part number 1029756 includes: BiPAP Synchrony unit, standard 1.8m Smooth Bore tubing, 2 pollen filters, 1 Ultra-fine Filter and 1 Filter Cap, carrying bag
Part number 1029756 has a 2 years warranty

Part number	Description
1029759	BiPAP Synchrony AVAPS Core Package

Party number 1029759 includes: 1 BiPAP Synchrony unit and 1 heated humidifier

Accessories

Part number	Description
312710	T connector for oxygen enrichment
302418	Pressure Valve, Single
302423	Pressure Valve, (Pkg. of 5)
1005965	Carrying Case
1005964	Pollen Filter (Pkg. of 2)
1005945	Ultra Fine Filter (Pkg. of 2)
622038	Patient Hose
1020425	Extension power cord for humidifier connection
1001158	Power Cord: Euro End
1005895	Power Cord: UK End

1014353	SmartCard Reader - PCMCIA Connection
1003543	SmartCard Reader - Serial Connection
1009583	Encore Pro data Management Software 1.8i (not supported on Windows 98 - only on Windows 2000, XP Professionnal, Windows Server 2003 and Windows Vista)
1003304	Encore SmartCard (Pkg. of 10)
1004270	Encore SmartCard Mailer (Pkg. of 25)
1007492	SleepLink Modem with cable (for PC connection)

Extended Warranty

Part number	Description
1032401	1 year warranty parts only
1032433	2 years extended warranty
1032434	3 years extended warranty

BiPAP Synchrony

Universal Battery pack

This battery pack can be connected to most Respironics Bi-level and CPAP devices:
BiPAP Synchrony, BiPAP Harmony,
The new battery pack will be suitable for portable use particularly for active lifestyle patients (i.e. camping, etc.) and mobile patients in a wheelchair, and for safety considerations with patients that have the need for backup power.

The DC cord is shipped with a 3 amp fuse already installed.
The 3 amp fuse is for use with most systems and directions to change the fuse for other products are included with the instructions contained with the DC Cable Adaptor.

Main features:
Sealed Lead Acid Battery combination is 12v 14.4AH.
- Packaged together with Charger and DC cable in 1 carrying case weighing approximately 13.5lbs/6.2Kg.
- Overall dimensions of the Carrying Case are 8" x 7" x 7": 21 x 18 x 18 cm
- Battery Charger has universal input of 100-240VAC with LED charging status.

Also comes with 4 different plugs to work virtually throughout the world.
Battery Charger recharges current battery configuration in ~10 hours or less, depending on charge status of batteries

Part number	Description
1028869	Universal Battery pack (battery charger and carrying case included)
1001158	European DC Cable for battery charger
1005895	UK DC Cable for battery charger
1012975	DC cable adapter and car lighter adapter
1028870	Battery charger with power cord, 12 V, universal

AIRWAY CLEARANCE

AIRWAY CLEARANCE

July 2008

CoughAssist clears the way for better breathing.

This unique noninvasive tool helps patients by enhancing or replacing their natural removal of bronchial secretions via “mechanical insufflation-exsufflation” – the gradual application of positive pressure to the airway followed by a rapid shifting to negative pressure. The slow inhale/rapid exhale airflow simulates the natural coughing process, while avoiding the potential problems associated with more invasive procedures.

OXYGEN

CONCENTRATORS

July 2008

EverFlo Oxygen Concentrator

The smaller, lighter EverFlo Oxygen Concentrator from Respironics is making a big impression on providers and patients. Its sleek, ergonomic design makes EverFlo easier to store, move, and carry than conventional concentrators. And it is one of the quietest and most energy efficient devices available today. With no filter for patients to maintain, a durable metal oxygen outlet, and fewer moving parts than other concentrators, EverFlo is designed to deliver consistent, trouble-free operation.

Part number	Description
1020006	EverFlo France/Europe – 230V
1020009	EverFlo South Africa – 230V
1020011	EverFlo Italy – 230V

EverGo Portable Concentrator

4.5 Kg, providing 1050 ml/min maximum oxygen capacity with the best autonomy (8 h)

EverGo is the portable oxygen therapy solution that truly gives your most active patients the freedom they deserve. Its extra-long battery life gives them the freedom to be spontaneous, and its larger oxygen capacity means patients can test their limits -without being limited by the device.

PATIENT INTERFACE

NASAL, FULL FACE AND MINIMAL CONTACT MASKS

July 2008

ComfortGel

Makes it easier to fit patients right the first time – even hard-to-fit patients. At its core is an exceptional cushion that combines customizable blue gel with a proven dual-layer cushion design. This combination gives you the comfort, fit, stability and seal characteristics you've come to expect from Comfort Series masks. The superior cushion is paired with the StabilitySelector that tilts the mask to allow for an optimal seal. The forehead support and pad automatically adjust to ensure proper forehead placement and angle. The built-in "silent" exhalation port and ball-and–socket headgear attachments add up to a superior mask that can help your patients stick to their therapy.

ComfortGel Cushion

ComfortGel Silicone Flap

Mask With Headgear - With Integrated Exhalation Port

Part number	Description
1009044	Petite ComfortGel
1009045	Small ComfortGel
1009046	Medium ComfortGel
1009047	Large ComfortGel

Part number 1009044 to 1009047 include: 1 nasal mask, 1 large silicone forehead pad, 1 Premium Headgear (attached with 2 ball-and-socket clips), 2 replacement ball-and-socket clips, 1 Swivel and 1 integrated sizing gauge on the bag

Mask With Headgear - ComfortGel SE - No Integrated Exhalation Port (Whisper Swivel II required)

Respironics Total Face Mask

Is a comfortable alternative for patients who may not be able to obtain a good seal with a nasal mask, experience skin breakdown, or who are claustrophobic. Because the Total Face Mask covers the entire face, there are no pressure points. An effective seal is created around the outside of the face minimizing leaks while providing optimal airflow through the nasal passages.

Part number	Description
302433	Total Face Mask with Headgear
1003052	Total Face Mask Headgear
